WHO WE ARE & WHAT WE DO

WTBurden is your go-to company for construction products and solutions in the GCC market. With over 20 years of experience, we have been at the forefront of shaping the UAE, Qatar, and KSA, from underground infrastructure to urban beautification.

We provide Street Furniture, Outdoor play, and Fitness Equipment for not only public parks but also for schools, for community complexes and private residences. We also offer various Landscape Solutions, Drainage & Civils, Leisure furniture for hotels and resorts, as well as special indoor and outdoor lighting.

WTBurden represents a diverse range of international brands across 6 major divisions, delivering the latest products and technologies to the GCC construction market.
